Professional Summary

Compassionate and dedicated Personal Care Assistant with Australian aged care experience and overseas nursing experience. Certificate III in Individual Support qualified with strong skills in personal care, infection prevention and control, resident observation, documentation, mobility support, and person-centred care. Passionate about supporting older people to maintain dignity, independence, wellbeing, and meaningful social engagement while delivering safe and high-quality care in residential aged care environments.

Work Experience

Aged Care Placement (Certificate III in Individual Support) - Glenroy Grove Care Community - Jan 2026 – Feb 2026

- Assisted residents with personal care including showering, dressing, grooming, toileting, and hygiene support.
- Supported residents with mobility, transfers, and safe manual handling practices.
- Assisted residents with meals, hydration, and dining support.
- Observed and reported changes in resident wellbeing to supervising staff.
- Maintained infection prevention and control procedures in accordance with aged care standards.
- Supported residents with social activities and meaningful engagement.
- Completed documentation and care records under supervision.
- Supported resident safety through regular monitoring, safe mobility assistance, and falls prevention practices.
- Delivered person-centred care while promoting resident dignity, independence, and choice.

Cleaner (Aged Care Facility) – Cirka Pty Ltd – South Yarra, VIC – Sept 2025 to Present

- Worked within aged care environments, including Jewish Care and TLC Healthcare facilities, maintaining high standards of cleanliness, infection control, and resident safety and wellbeing.
- Performed infection prevention and control cleaning in resident rooms, bathrooms, kitchens, and communal areas.
- Supported resident wellbeing by maintaining safe, comfortable, and hygienic living environments in accordance with aged care standards.
- Developed positive and respectful relationships with elderly residents while maintaining privacy, dignity, and confidentiality.
- Worked collaboratively with care staff and team members to maintain high care and safety standards.

Nurse – Indira IVF Centre – Kathmandu, Nepal – Dec 2024 to Apr 2025

- Assisted patients with personal care, mobility, comfort, and emotional support.
- Monitored patient wellbeing and responded to individual care needs.
- Maintained accurate documentation and followed workplace health and safety procedures.
- Collaborated with healthcare professionals to deliver safe, person-centred care.

Nurse – Metro Hospital – Kathmandu, Nepal – Apr 2023 to Dec 2024

- Delivered compassionate care and assisted with daily patient support, hygiene, and wellbeing.
- Observed, documented, and reported changes in patient condition to nursing and medical staff.
- Followed infection control procedures and maintained a safe care environment.
- Worked collaboratively within multidisciplinary healthcare teams to support patient outcomes.
